

2015 - Rise To Radiance

Arise you will not be despised.
Shine for this is the season, your purpose will be actualized.
Times of suffering and shame are terminated.
Miracles, signs and wonders for you shall be manifested.

Brighter days are ahead.
To Better promises you will be led.
Misery and Mourning is over.
Majestic Magnificence will now overpower.

Increase upon increase.
Speed upon speed.
Look above and beyond.
Rest in the blessings from all around.

The anointed are adorned.
The righteous are no longer scorned.
Bountiful blessings for those who believe.
Wealth of the wicked you will receive.

My Temple is gorgeous.
My Body is victorious.
My House is prosperous.
My Bride is glorious.

Exit exile, enter excellence.
This is the path to your resilience.
No more resistance.
I give you Supernatural assistance.

Divine difference distinguishes you.
Luxury where there was lack.
Opulence for oppression.
Influence for insignificance.

I have appointed now for launching.
Now is anointed for establishing.
Here is the place of your shining.
This is the year of the rising.

Revival reigns.
Refreshing rains.
Reformation rays.
Redemption days.

Ricardo Watson.
